

# How to Use Krita

Version 4.4.8

**By Warren Watson**

**©2021**

Last Revised December 13, 2021

# Preface

This is a manual for the creation of digital art using the free opensource painting software called Krita. I started digital painting with Affinity Photo, but Krita is the first digital painting software I used.

I use a Huion display tablet, but whatever brand you like and can afford is just fine. As the YouTuber and artist Sociamix said, it is not the tools that make great art, it is the artist. Any tool must be learned with its advantages and limitations.

The Logo on the cover of this document is Krita's logo which was retrieved December 12, 2021 from [https://logos.fandom.com/wiki/Krita?file=Calligra\\_Krita\\_icon.svg](https://logos.fandom.com/wiki/Krita?file=Calligra_Krita_icon.svg)

# Contents

Preface .....	<a href="#">2</a>
Contents .....	<a href="#">3</a>
1. Download .....	<a href="#">5</a>
2. Tablet & Pen Buttons .....	<a href="#">6</a>
2.1 My Huion Display Tablet .....	<a href="#">6</a>
2.2 Press Key Settings .....	<a href="#">6</a>
3. The Workspace .....	<a href="#">8</a>
4. Top Menu .....	<a href="#">9</a>
5. Top Toolbar .....	<a href="#">11</a>
6. Dockers .....	<a href="#">12</a>
6.1 Overview .....	<a href="#">12</a>
6.2 Layers .....	<a href="#">13</a>
7. Toolbox .....	<a href="#">14</a>
7.1 Brush Tool .....	<a href="#">15</a>
7.2 Assistant Tool .....	<a href="#">16</a>
7.3 Selection Tools .....	<a href="#">18</a>
7.4 Transform Tool .....	<a href="#">19</a>
7.5 Colorize Mask Editing Tool .....	<a href="#">20</a>
8. Shortcuts .....	<a href="#">21</a>
8.1 Customization .....	<a href="#">21</a>
8.2 Top Menu Shortcuts .....	<a href="#">21</a>
8.3 History .....	<a href="#">23</a>
8.4 Navigation .....	<a href="#">23</a>
8.5 Toolbox .....	<a href="#">24</a>

8.6	Selections .....	<a href="#">24</a>
8.7	Brushes .....	<a href="#">24</a>
9.	Popup Palette .....	<a href="#">25</a>
10.	Animation .....	<a href="#">26</a>
10.1	Workspace .....	<a href="#">26</a>
10.2	Timeline .....	<a href="#">27</a>
10.3	Export .....	<a href="#">28</a>
10.4	Transparency .....	<a href="#">29</a>
11.	Examples .....	<a href="#">30</a>
11.1	Step One .....	<a href="#">30</a>
11.2	Step Two .....	<a href="#">31</a>
11.3	Sara Tepes' Tips .....	<a href="#">37</a>
11.4	Jenna's Tips .....	<a href="#">39</a>
11.5	Portrait of a Boy .....	<a href="#">42</a>
11.6	Noctualis' Tips .....	<a href="#">44</a>
